

Dear Supporter,

Faith Equestrian Therapeutic Center, located in Effingham County, is a small 501(c)(3) non-profit. Our mission is to improve the quality of life for individuals with special needs and disabilities through the healing power of horses by offering both riding and groundwork sessions. Participants can begin at age four and have a wide range of diagnoses. Due to the center being a PATH (Professional Association of Therapeutic Horsemanship) Premier Accredited Center, Faith is authorized through the Wounded Warrior Program of PATH to offer equine assisted learning and therapies to Veterans and military personnel.

As we continue to grow, we are in need of an eco-friendly high wind/ flood resistant barn for our equine staff members. We are so blessed to have been chosen by *SCAD SERVE Design for Good* program in order to help make this dream come true! This will ensure FETC continues to meet the needs of the community by offering equine therapy & equine assisted learning to such a vulnerable population. *SCAD SERVE Design for Good* focuses on helping small businesses and organizations achieve big goals. This collaboration gives the SCAD students real world experience with budgets, expectations and project funding ideas as well as giving Faith Equestrian exposure to new ideas in the architecture and design industry.

Although SCAD SERVE will open new doors for FETC, financial assistance from businesses, sponsorships, and organizations throughout the community are essential in order to make this need a reality! Please consider a tax deductible sponsorship today in order to help fund a much needed barn to ensure the herd stays healthy and happy in order to empower our participants to achieve, connect, and thrive in society.

Show your support for Faith Equestrian and the *SCAD SERVE Design for Good Barn* Project to make this new barn a reality by sponsoring our *Roastin' on the Coast* event on Thursday, October 12th from 5:30-7:30pm at the Ships of the Sea Maritime Museum in Savannah. The event will feature oysters, non-seafood options, and a full bar with an outdoor entertainment center raffle and a live auction featuring items such as a 10-day stay at a four bedroom luxury hacienda in Costa Rica, a deep sea fishing charter out of Miami, and more!

Thank you in advance for your much needed support,

A handwritten signature in black ink that reads 'Dana Starr'.
