# WELCOME LETTER

Dear Community Partners,

Southern Choices of the Coast is honored to invite you to partner with us in supporting two organizations that make a profound difference in the lives of individuals and families across Coastal Georgia: Faith Equestrian Center and Effingham Navigators.

**WHEN?** APRIL 18, 2026

**WHERE?** CITY CLUB AT LOST PLANTATION  
1 CLUBHOUSE DR, RINCON, GA 31326

The Southern Choices of the Coast Golf Classic is more than a fundraiser — it is a celebration of community, inclusion, and the belief that every individual deserves access to connection, confidence, and opportunity. Your support helps expand therapeutic services, advocacy resources, and life-enriching programs for families who rely on these organizations every day.

As we prepare to officially announce the event on January 6, 2026, we are excited to offer meaningful sponsorship opportunities that create visibility for your business while directly uplifting the families we collectively serve.

Thank you for considering a partnership that truly makes an impact.

Warmly,  
The Southern Choices of the Coast Team

# ABOUT THE BENEFICIARIES

## Faith Equestrian

Faith Equestrian is a PATH-accredited therapeutic community dedicated to improving the physical, emotional, cognitive, and social well-being of individuals with disabilities. Through adaptive riding, equine-assisted activities, and supportive instruction, participants experience meaningful growth in strength, balance, confidence, communication, and independence.

Their programs foster connection, healing, and empowerment by pairing compassionate instructors with therapy horses who help riders develop skills that extend far beyond the arena. Families across Coastal Georgia turn to Faith Equestrian for its transformative approach to support, believing deeply in its mission to help individuals with disabilities thrive through horsemanship, community, and confidence-building experiences.

# ABOUT THE BENEFICIARIES

## Effingham Navigators

Effingham Navigators is a community-driven nonprofit dedicated to improving the quality of life for individuals with disabilities and the families who support them. They provide advocacy, guidance, inclusive recreation, resource navigation, and a warm, reliable network of support so families never have to navigate challenges alone.

Their work strengthens families at home, in school, and in the community by connecting them with the tools, programs, and relationships that promote belonging and long-term success. Rooted in their mission to provide people with disabilities — and their families — a better quality of life through community awareness, inclusion, advocacy, and access to supportive programs, Effingham Navigators plays an essential role in helping individuals thrive with dignity, connection, and opportunity.
